November 2015 Dealer Announcement

AVAILABLE FOR A LIMITED TIME ONLY!
PICK SIX

Special pricing will be available for a limited number of items this month. Quantities are very limited on some items so it will be first-come, first-served. If you need clarification regarding the mechanics of "Pick Six," please contact your InterMountain representative.

HO & N SCALE F7 LOCOMOTIVES

An Advance Reservation release of eight paint schemes is included in this month's offerings. They will be available in both HO and N scales. This is the first time any of them will be available with sound in N scale. Some of the paint schemes are being offered again after a long absence, some of them are new. All are outstanding decorative schemes that will stand out on any layout.

HO SCALE 1958 CUBIC FOOT HOPPER CARS

Of the ten items listed for Advance Reservations this month, nine of them have never been offered before. This is the chance to get your long-awaited model in these new schemes. This highly detailed car is near museum quality and will be detail specific for each road name.

ONGOING SHOW SEASON

By the time you receive this letter many of you will have visited with us at Trainfest in Milwaukee. The next three shows we will be attending are:

Oklahoma City Train Show: December 5 & 6.

Prototype Modelers Show in Cocoa Beach, Florida: January 7, 8, & 9.

Amherst Model Railroad Club Show in West Springfield, MA: January 30 & 31.

If you are in attendance at any of these shows, be sure to stop by our booth to see our new product releases and talk to the InterMountain representatives. We welcome your feedback and look forward to sharing news about all of the exciting new developments at InterMountain.
