April 2016 Dealer Announcement

HO & N SCALE FP7 AND F7B LOCOMOTIVES!

This release also includes five new paint schemes accompanied by the ever popular Western Pacific. This is every modeler's chance to acquire highly detailed, prototypical models of these items that have never been offered before. With wire grab irons and etched metal details, they are ready for operation at home or on the club layout. All of the items are offered in four road numbers if that many existed. These locomotives will prove to be unequalled in powering your long consists.

HO & N SCALE 4650 Cu. Ft. 3-BAY HOPPER CARS

Four brand new paint schemes are featured in this release. Also included are six of the most popular roads that we have done before. These colorful models will add character to any consist of hopper cars. These cars run across the country in interchange service carrying a variety of loads.

HO SCALE TWIN STACKS

By popular demand we are once again offering this unique, modern set of container cars in nine decorative schemes, one of which is new for the Panama Canal Railway. These well cars are currently running across the country and the Panama Canal Zone carrying various types of goods as they arrive at our ports from around the world.

MONTHLY SPECIAL

HO & N SCALE CAB FORWARD LOCOMOTIVES!

Be sure to review the Cab Forward sheet for your favorite road number. This is a once in a lifetime opportunity to acquire this museum quality model to exhibit or run on your layout. Every modeler should own one of these models just to say they have one!!

Frank Angstead
InterMountain Railway Company
