August 2016 Dealer Announcement

ARRIVING THIS MONTH!

Included in this month's memo are items for shipping. There are twelve paint schemes of the HO Scale ES44AC locomotive, including seven paint schemes that have been produced for the first time. Stock on some of these items is low so confirm your reservations early. August shipments also include HO Scale R-70-20 refrigerator cars, HO Scale 48ft. smooth side containers, and HO Scale 40ft. rib side containers.

For Reservation: HO SCALE 20FT. CORRUGATED CONTAINERS

ALL NEW PAINT SCHEMES! This month's Advance Reservation release of the 20ft. corrugated containers includes TEN NEW decorative schemes. These colorful models will light up the modeler's intermodal consists like never before. Sharp and accurate lettering creates a realistic replica of the prototype.

For Reservation: HO & N SCALE 4750 CU. FT. HOPPER CARS

ALL NEW PAINT SCHEMES! We keep finding new users of these eclectic cars. This month there are TEN MORE NEW, colorful paint schemes to add to the multitude that have already been produced. These cars are still used in interchange service for grain and other commodities all across the nation.

Be sure to look over the attached pages showing DeLuxe Innovations in-stock products. Limited quantities available so order now!

SHOW TIME!

With fall just around the corner it is time to make plans for the plethora of upcoming train shows. Two of the major shows yet this year are:

Trainfest in Milwaukee, Wisconsin:

November 12th & 13th.

OKC Train Show in Oklahoma City, Oklahoma:

December 3rd & 4th.

If you are in attendance at any of these shows, be sure to stop by our booth to see our new product releases and talk to the InterMountain representatives. We welcome your feedback and look forward to sharing news about all of the exciting new developments at InterMountain.

Frank Angstead
InterMountain Railway Company

A-Line 20ft. Corrugated Containers
