

MAY 2017 DEALER ANNOUNCEMENT

ADVANCE RESERVATION HO SCALE GP10 LOCOMOTIVES

Ten new paint schemes of these colorful locomotives are available for Advance Reservation this month. This is the third group of these long-awaited models. The first group has been delivered and were very well received. The second group will be here soon. These highly detailed models with road specific features and laser sharp decoration are spectacular representations of this iconic locomotive.

ADVANCE RESERVATION N SCALE 4-4-2 PASSENGER CARS

Now is the chance for all N scale passenger train modelers to stock up on the 4-4-2 sleepers. These cars have been out of stock for a long time so this is the opportunity for those modelers that missed the first runs. Nineteen paint schemes are featured including three that have not been produced by InterMountain before. Place your reservations early so we can move forward with production of these significant passenger car models as quickly as possible.

AVAILABLE NOW N SCALE SD40-2 LOCOMOTIVES

An additional eight paint schemes of the N scale SD40-2 locomotives will be available for shipping later this month. They are available with DC or DCC operation and the DCC version may be with or without sound. ESU is on the way to revolutionizing the N scale locomotive scene with its new "slide-in" sound PC board. Factory installed sound is becoming the new standard for the N scale market.

SHOW SCHEDULE

During the summer we will be represented at the following three shows. Please come by our booth for a visit and view all of the exciting new releases:

National N Scale Convention Presented by N Scale Enthusiast

Pittsburg, Pennsylvania - June 23, 24, & 25

Spring Creek Models Open House & Train Show

Deschler, Nebraska - July 1 & 2

NMRA National Train Show

Orlando, Florida - August 4, 5, & 6

ALL NEW PAINT SCHEMES!

GP10 Paducah Locomotives

Announced: May 12

Reservations Due By: June 30

Available: Dec / Jan

List: **\$199.95**
with Sound: **\$289.95**

Through the 1970s, the Paducah shops of the Illinois Central rebuilt worn out EMD GP7 & GP9 locomotives into the GP10. The Intermountain Railway Company HO Scale GP10 locomotive will be manufactured with finely molded parts that have been designed to reproduce railroad specific details; such as Horst Air Filter, Frogeyes Nose Headlight, Extended Right-front Tool Box, & Engine Access Hatches on the roof.
