AVAILABLE NOW

GP10 PADUCAH LOCOMOTIVES

Eight additional paint schemes for the HO GP10 are ready for delivery this month. Be sure to confirm your reservations right away as there are limited quantities and these popular locomotives will go quickly. If you missed the first group of paint schemes, including the popular Illinois Central, there are limited quantities still available. These sharply decorated, prototypically accurate models with road specific details will be a welcome addition to any discerning modeler's layout.

4750s and CANADIAN STYLE CYLINDRICAL HOPPER CARS

A total of eighteen colorful hopper cars are offered for Advance Reservation this month in both N and HO scales. Primarily used for grain service, these distinctive cars were manufactured in the 1970's and 1980's and many are still in service today. These cars are used in interchange service and many can be seen throughout North America. Both new paint schemes and reruns offer something for every modeler.

SHOW SCHEDULE

As we go deep into the summer season, there are some premier train shows worthy of the modeling community's interest. If you are in the area please visit the InterMountain exhibit at the following locations:

GP10 PADUCAH LOCOMOTIVES

Through the 1970's, the Paducah shops of the Illinois Central rebuilt worn out EMD GP7 & GP9 locomotives into the GP10. The InterMountain Railway Company HO Scale GP10 Locomotive will be manufactured with finely molded parts that have been designed to reproduce railroad specific details -- HORST Air Filter, Horizontal Nose Headlight, Extended Right-front Tool Box, & Engine Access Hatches on the roof. Sound locomotives are factory equipped with ESU® LokSound Select sound decoders, and non-sound locomotives are factory equipped with ESU® LokPilot non-sound decoders. For DC only operation, a DC plug option is available upon request.
