

RED CABOOSE

LEHIGH NEW ENGLAND HO X-29 Box Car

To make your Lehigh New England kit closer to prototype:

1. Instruction #5, you may or may not want to cut the end door stop off of part #8, the door guides. Pictures indicate they did and did not have stops at the end of the guide.
2. Instruction #5. do not put on the door stops #X102.
3. Use the Youngstown type doors with this kit, #9b.
4. The tack boards, #10, mounted on the doors were centered high on the door for this paint scheme.
